Form 471 # 991968

Applicant Name: Ririe Joint School Dist 252

Billed Entity Number (BEN): **142665**

Billed Entity FCC RN: 0012614491

Funding Year: 2014

FRN # 2707231 and # 2707257

Ririe Joint School District 252 respectfully requests a 471 Deadline Waiver Request for 471 # 991968, FRN Numbers 2707231 and 2707257. The 471 application was submitted on 3/27/2014—one day out of the filing window due to an accidental oversight. Ririe Joint School District is a small rural school district serving approximately 600 students. I am the Information Technology Director for the school district and am also the Computer Science Teacher. Recently I was also assigned responsibility for the district's erate filing. As this was my first year dealing with E-Rate, I was confused regarding the E-Rate process, filings and deadline. I did file one Form 471 for the district's internet access service but failed to file my 471 for our telecommunications service/voip service. The E-Rate funding received by our school district is essential and therefore, I respectfully request the FCC consider the impact this will have on our school district and waive the 471 filing deadline.

Thank you for your attention to this matter.

Sincerely,

Blake Jenson
